World of Elegance

Product Gallery

**A superior collection of CEROLITE Sanitaryware
Committed to Best Quality**

Cerolite is dedicated to designing and delivering beautiful products that last a life time.

From finishes that are guaranteed to last, to ones that balance water pressure.

Cerolite sets the standard for exceptional beauty and reliable, innovative design.

Cerolite combines timeless aesthetics with superb craftsmanship to create bath

collections that are second to none. Every design is created from the finest

materials. Exquisite details are carefully articulated to express a simple,

singular elegance that works in harmony with today's interiors.

Bringing distinct style and fashion the products continue to transcend the ordinary.

Using the highest-quality materials and technology, Cerolite continues

to push the boundaries of design. The meticulously crafted fittings and fixtures

embody the principles of balance and synergy, being innovative, beautiful and

ready to complement the ambience
